

### REMARKS

This Amendment is responsive to the Office Action mailed April 4, 2006 and a telephone interview kindly granted by the Examiner. The Examiner's comments in the telephone interview have been carefully considered. Based on the comments, applicant has amended the claims. Specifically, the claims have been amended, in part, to more clearly require that the mobile station itself issue a specific authentication request so that a remote access server is not required to make the request.

Applicant has already submitted a Request for Complete Office Action on June 23, 2006 because the outstanding Office Action does not respond to applicant's arguments that the applied references do not suggest one of the recited features ("selected authenticator") and applicant believes the claims are allowable at least for this reason. Unless the claim amendments made by this Amendment put the application in condition for allowance, Applicants request a prompt response to their Request for Complete Office Action.

The application is now believed to be in condition for allowance. Early allowance and issuance is, accordingly, respectfully solicited.

*Applicant hereby petitions that any and all extensions of time of the term necessary to render this response timely be granted. COSTS FOR SUCH EXTENSION(S) AND/OR ANY OTHER FEE DUE WITH THIS FEE DUE WITH THIS PAPER THAT ARE NOT FULLY COVERED BY AN ENCLOSED CHECK MAY BE CHARGED TO DEPOSIT ACCOUNT #10-0100.*
